

In the Drawings:

New drawings are being proposed with this amendment.

Remarks

This amendment is necessary to provide new drawings. Even though the Examiner in the Notice of Allowability dated December 22, 2004, stated "[t]he drawings filed on 03 July 2003 are accepted," the applicant desires to provide higher quality drawings. Please note that the substance of the drawings has not changed.

In view of the above, it is submitted that the claims remain in condition for allowance.

Respectfully submitted,
